

True gnosticism (knowledge of peace) warning:

gnosticism (a word I use for seeking truth in general -> faith) is valuable because the apostle Paul (there are thirteen apostles, - 1 (from Judas Iscariot), + 1 (from Thomas), and + 1 with Paul who is purified by the Holy Spirit). Recall that Peter betrayed Jesus Christ three times out of ignorance and fear, but he is saved, and recall that Peter was crucified upside down in the most painful manner for his betrayal, while Paul earned the swift, most painless beheading for his faith and strong works as a priest of The Order of Melchisedec, the thirteen apostles are (recall that in **Matthew 18:16** – But if he will not hear thee, then take with thee one or two more, that in the mouth of two or three witnesses every word may be established – which agrees with the law of Moses in **Deuteronomy 17:6**, furthermore – Iron sharpeneth iron; so a man sharpeneth the countenance of his friend. The group of three apostles were comparatively weaker than the groups of two apostles:

- Simon Peter, and Andrew, the sons of John
- James and John, the sons of Zebedee
- Philip and Bartholomew
- Thomas, and Matthew the publican (*tax collector*)
- James the son of Alphaeus
- And Lebbaeus, whose surname was Thaddaeus
- Simon the Canaanite
- And Judas, the brother of James
- Paul the apostle (*who paired up with others in the faith, such as Silas, however, Paul was mostly a one man army*) – the number thirteen represents betrayal in the old testament, but this original betrayal of Adam and Eve in the new testament is now atoned. Recall that people of true Israel under the law of Moses had to sacrifice pairs of turtledoves and pairs of young pigeons (**Luke 2:24**). One (pair) is for the sin offering, and one is for the burnt offering. The sin offering represents the blood of Jesus Christ on the cross, and the burnt offering represents the descent into the center of earth in hell, which is far more painful. Jesus Christ took our sins and paid the debt of our sins fully in the center of earth for three days and three nights (**Matthew 12:40**).
 - **For as Jonas was three days and three nights in the whale's belly; so shall the Son of man be three days and three nights in the heart of the earth.**

Paul came from the perspective of “logic”, being from the law, being fluent in identifying logical fallacies. That’s why modern bibles, in addition to replacing “cornerstone” with “capstone” with extremely different meanings, and the term “new world order” – check out the dollar bill of America, the capstone has an eye of Lucifer and represents a top down control mechanism. The Egyptian cex rituals are perversions, the “kali yuga” period with ancient civilizations appearing out of nowhere into the material, after the flood that most ancient cultures show. This is a descent in consciousness. Not ascent. Why did ancient Egypt, China, Middle East cultures all appear at around the same time a couple thousand (5000-7000) years ago?

12 It is not expedient for me doubtless to glory. I will come to visions and revelations of the Lord.

2 I knew a man in Christ above fourteen years ago, (whether in the body, I cannot tell; or whether out of the body, I cannot tell: God knoweth;) such an one caught up to the third heaven.

3 And I knew such a man, (whether in the body, or out of the body, I cannot tell: God knoweth;)

4 How that he was caught up into paradise, and heard unspeakable words, which it is not lawful for a man to utter.

5 Of such an one will I glory: yet of myself I will not glory, but in mine infirmities.

6 For though I would desire to glory, I shall not be a fool; for I will say the truth: but now I forbear, lest any man should think of me above that which he seeth me to be, or that he heareth of me.

7 And lest I should be exalted above measure through the abundance of the revelations, there was given to me a thorn in the flesh, the messenger of Satan to buffet me, lest I should be exalted above measure.

8 For this thing I besought the Lord thrice, that it might depart from me.

Why was Paul caught up in the third heaven?

2 Then fourteen years after I went up again to Jerusalem with Barnabas, and took Titus with me also.

2 And I went up by revelation, and communicated unto them that gospel which I preach among the Gentiles, but privately to them which were of reputation, lest by any means I should run, or had run, in vain.

3 But neither Titus, who was with me, being a Greek, was compelled to be circumcised:

4 And that because of false brethren unawares brought in, who came in privily to spy out our liberty which we have in Christ Jesus, that they might bring us into bondage:

5 To whom we gave place by subjection, no, not for an hour; that the truth of the gospel might continue with you.

There are lots of inconsistencies with Edgar Cayce and hypnotists so I figure that they're not honest and truthful. Take a deep look into it. True Christianity exists in the heart, not in physical mega-churches or those half truth churches that do even worse with honest people seeking answers.

I think buddhism and the fact that albert pike wrote that buddha was the first initiate is very telling. Forced meditation through concentration results in contact with devils from what I can gather from people I know. One of the things that buddhism says is to follow nature, but its followers are known to be greedy by chanting mantras for the benefits of liberation. This is forced, and is hypocrisy, whether they are conscious of that or not, it really depends on how honest they are with themselves. That reincarnation and memory wipe, like I said, we made our choices before coming here. lucifer chose to be prideful and tries to fight and destroy God. The baby's brain is not fully formed and so can not store memories, unless later on lucifer injects false memories into their brains from the akashic records. A lot of hypnotists, such as Cayce are not entirely accurate and there are a lot of contradicting past lives. The devil has that light, that frequency, that information, that code. The neurons are fired to connect towards memories. That's why in linguistics a word can trigger a mental image by pathways. Not too sure about the more specifics of neuroscience as I only studied biology 12 in high school a few years ago.

Carbon dating is based on unproven/non rigorous premises, as with allopathic theories. They refer to the dinosaurs as proof that Earth is millions or billions of years old. They refer to neanderthals as proof of the man-ape relationship, but this is man having sex with apes in order to produce an abomination. This is propaganda. Dinosaurs resemble the worst characteristics of animals. The large ones are very dumb as the blood barely reaches its small head. The carnivorous ones are aggressive and vile. They were cast down from heaven and I suppose

since they aren't above Earth's crust, they must be underneath in subterranean space. They want to experience form, so their form would naturally be terrifying and disgusting. The ice age I would say happened more than 6000 years ago, possibly up to 13000 years ago (vedic golden age), since ancient civilizations flourished around this time period. When Noah picked the animals, I think Noah picked animals that are similar. Since a lot of the larger mammals were more fierce but there also existed smaller versions that were more docile, naturally Noah picked the smaller types. Hence the dying out of larger mammals, recall that certain remains of mammoths point towards sudden death, due to unforeseen calamity. I think this has something to do with magnetic incursion, or pole flip, as I have the link above and below. Furthermore:

magnetic pole flip:

the jade emperor refers himself as descendant of the dragon/serpent/lucifer, medieval dragons are terrible.

jinns can transform themselves into matter and manipulate reality to certain extents:

<https://www.youtube.com/watch?v=YvdedlbyrQM&t=13s>

Notice also that the Ark lies on top of a mountain, Mount Ararat:

船 <- observe the character 8 on the character 舟, those are the 8 people with Noah in the ark.

Genesis Chapter 1:

There are fast swimmers, but lucky.

The body is composed of metals and iron.

The iron reacts with the magnetic memory of water:

https://www.youtube.com/watch?v=5cyQVu_8EFc

How can an elite swimmer expect low resistance in streamline, yet high resistance in the hands for propulsion? Only a pure intent and strong will can accomplish.

Water is a unique substance of memory

I have journaled during my swimming days

When I drink gatorade, I swim slightly faster

That's because of the metals and iron in the blood, which increase when tapering.

The magnetic repulsion can be felt as well, after tapering. A 2 week taper is necessary for a longer 3 month taper for optimal results. This is confirmation from my own experience as well as experience of the SCM world record holder in 100 back. The legs need longer time for the blood to reach and permeate, hence the legs do not recover fast for tapering, but the arms.

In the beginning God created the heaven and the earth.

And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

It seems like you're perpetuating your anger because of betrayal. This is exactly what those psychopaths want. Don't fall into that trap.

 **caracam** Today at 11:33 AM
I know better than to perpetuate the situation but I have close family members still trapped in religion. I acknowledge there is little I can do about that and I can let it go ... but it can be frustrating.

 **Mr. Saywardson** Today at 11:40 AM
Understood. I appreciate that. To my knowledge, I used to be an ex-christian as well. I have spoken ill of Jesus but I have never blasphemed the Holy Spirit, which is peace. I wanted peace for everyone in my heart. Now I'm lead back to Christianity once again. This happened recently around Easter. I actually had some things manifest into reality and telepathic answers to questions. (edited)
The thought that changed me was: if you were to face a situation where death or life, and you are contending for food and water to survive, would you kill another man to obtain that? Or would you not live with that guilt and choose to be peaceful? That is the ultimate test.
In my honest opinion, sure, there are a lot of deceptions out there, particularly with the freemasons. I have 3 professors targeting me to become a member through flattery.
I rejected all of them.
I simply don't think I can deal with deception with deception, evil with evil.
God is a God of gnosis (knowledge) and that produces Light, which is peace. The Holy Spirit is peace. Lucifer simply wasn't true gnosis and got too proud because of that. A balance between peace and gnosis is ultimately the idea. The solution is to hang Judas by killing hypocrisy. Hypocrisy is public enemy number one as wars and suffering are a result of that, especially the freemasons, and the certain race problem in the bloodlines. (edited)
The reason why Wayne has more information than FC is simple. From the action where FC was flattered by people sending youtube money, and the response from Wayne with no big deal. That's one example. I could not find a counterexample in all experiences I had so far. Kindness and true knowledge (not biased half truths) are causal. (edited)

I find it interesting that you returned to Christianity. Do you re-embrace core teachings that everyone is a sinner and in need of a savior? etc I'd like to hear about your manifestation and telepathic experience if you're willing. I also understand if it's personal. (edited)

Mr. Saywardson Today at 12:05 PM

@caracam I find it interesting that you returned to Christianity. Do you re-embrace core teachings that everyone is a sinner and in need of a savior? etc I'd like to hear about your...

Lao Zi said so in the east. Recall whenever the physical israel was disobedient, God ignored them. Logically the east which was peaceful during the Han dynasty there was Lao Zi.

Lao Zi pointed towards the need for Jesus Christ, as I have attached in the comments section of mis-resources, as well as my profile.

I have read the Bible again and I could not find a counterexample to any of the teachings.

and I'm someone who really likes to connect ideas together to form valid conclusions.

Recall that the certain natives in north america were peaceful people, but their culture changed drastically and started worshipping animals and beasts, and doing strange torture rituals for initiation that sounded awful. The original natives taught about balance of the right and left hemispheres through stories. Comprehension and control. Gnosis and peace. Using the left hemisphere's need to control with peaceful knowledge. (edited)

The aztecs turned for the very worst and started sacrificing men to devils. They took a drastic turn towards black magic.

China during the 3 kingdoms period experienced extreme wars and poverty.

The 3 kingdoms:

Wei: who although honest about his greed and pride, had little hypocrisy to show

Shu: operated by a complete hypocrite, but accepted humiliation (less pride) but his inner drive was greed

Wu: operated by a wiser lord who proposed defense and non-aggressive pacts. Was relatively balanced in virtues. He had little greed, pride, and hypocrisy compared to the other two warlords. His land experienced the least casualties and more peace.

After the 400 years of Han dynasty of relative peace, the rest of chinese history was mostly in turbulence, until the Tang dynasty, where the silk road and Christianity came, and Tang was a prospering time too.

When the mongols invaded, Christianity was once again hidden.

Do you notice a pattern?

<https://www.expandingawarenessrelations.com/russian-prophet-predicted-a-mark-of-the-beast-that-shines-says-his-mother-will-live-to-see-the-antichrist/>

I could not find a single counterexample for this prophecy as well.

Recall that the hypocritical, prideful, and greedy pharisees, that Jesus Christ put a curse on their blood DNA lineage are still the same today, with the likes of the red shield and banking cartel.

There is a reason why countries did not like a certain group and cast them out. They knew the dangers were all too real. Look at what's happening in america due to their influence in big cities. (edited)

When the apostle Paul wrote to preach first to the Jews then to the Gentiles. He meant the Jews of the heart, not the flesh. Paul knew that Christ's suffering at the heart of earth, in hell, could only help so many. Not every will be saved. Paul wanted to give a better chance for the more worthy people who uphold peace in order to be saved first, and then the more hard-hearted ones, if possible. That is just.

I have nothing to hide, there is nothing personal about these matters. What lead me here was understanding Carl Jung's gnostic approach to self reflection and correcting mistakes in order to experience peace. When you are humiliated or insulted, there are little consequences by accepting other people's slander.

On the other hand side, hiding information is a sign of a cheapskate. Look at all those devilish secret societies. They are killing a lot of good, innocent people.

The reason why I have so much information in the first place is because I noticed the pattern from self reflecting that the more you give, the more you get in return. The exact causal relationship in terms of quantum reactions I do not understand. But I just know the result and experimental evidence is very strong.

It all starts with killing hypocrisy, after you have destroyed your greed and pride. Then the truth will naturally come. Love peace. That is the greatest commandment. Are you willing to kill someone in dark times as in the interview "The Man who Met the Demiurge"? I would rather die than letting someone else die and have an incredible feeling of guilt. It is against my nature, and I love peace. (edited)

The magnetic repulsion from weak dipole can be felt as well, after tapering. Water has magnetic memory and can reconstruct DNA. A 2 week taper is necessary for a longer 3 month taper for optimal results, this is because red blood cells recreate once every 3 months. This is confirmation from my own experience as well as experience of the SCM world record holder in 100 back. The legs need longer time for the blood to reach and permeate, hence the legs do not recover fast for tapering, but the arms. Also the red blood cells are formed in the upper leg bones. Hence underwater speed is quicker from 3 month tapers.

This is proof for Genesis chapter 1

No top swimmers I know of are evil people.

The top female swimmer is a Christian.

The top 2 male sprinters are Christians.

My experience with sprint swimming is that people who look at the opposite gender and do private matters do not swim fast in my summer swimming group.

(edited)

Virility implies strength, that's the definition.

The selective overtraining in the US means that as swimmers reach elite status, they are selectively overtrained, which kills their mental strength.

However, still the likes of Dressel, Andrew, Manuel are at the top. They have purity of heart and strong will. Dressel didn't want to be famous like Phelps.

Andrew didn't get vaxed when other people were mocking his beliefs in olympics. Manuel preached about her faith when she won the 50 freestyle in the US trials.

They are honest and innocent people.

When I say Christians, I mean followers and the disciples of Christ. There is a false disciple Judas. Dressel is not a true believer yet, however, and is a corrupted and spoiled hypocrite in heart because of his fake sponsors. But outwardly demonstrates humility to get his wants met, possibly due to his childhood reasons. The reason why Dressel is faster than Michael is the same reason why satan gives his power to solomon the hypocrite who asked for wisdom from God to betray and cheat God. The speed from Dressel is of the devil, because the devil corrupted certain parts of his DNA such that he's in a low point for taking the shots.

The “cretaceous” meteorite was the fall of lucifer and his angels. It didn’t occur millions of years ago. Carbon dating is based on guesses that are inspired by devils. They coveted form, form of Adam and Eve in the material realm, so they manifested into evil dinosaurs. Revelations 12 shows that. Moon under her feet means the serpent is underneath her feet, that she would step on the serpent’s head. The moon is an artificial devilish object, a CIA experiment using frequency technology confirms that the moon is hollow. It creates strong emotions. Full moon causes people to sin a lot. The egyptian moon goddess that mcu is televising currently is represented by death and sin.

Be not forgetful to entertain strangers: for thereby some have entertained angels unawares.

Since angels come on earth and men do not know who they are talking to (same as tibetan devils), the child prophet may have been an angel!

Know ye not that we shall judge angels? How much more things that pertain to this life?

This shows that man can partake in the creation with God and create (not marrying, but bliss) in His kingdom as that is the nature of man, formed after the image of God.

“For in the resurrection they neither marry, nor are given in marriage, but are as the angels of God in heaven.”

This time man will not be tempted to sin because Christ removed that temptation. This is true eternal bliss. Hallelujah!

There is a declassified FBI document saying that Tesla was an alien incarnated.

<https://vibrantdot.co/fbi-report-nikola-tesla-inventor-of-wireless-technology-an-alien-from-venus/>

Tesla has developed many technologies from his visions that he speaks of. These technologies are now actively put to use against people. The reason why 20th century technology advancement was so quick was because of the likes of Tesla and Einstein. Einstein helped create the nuclear bomb. It killed a lot of innocent people.

One of his death ray technology is now used in 5G to interface with the you know what insertion of mercury and fetuses into the human body. Nanotechnology can be found inside the you know what from independent research, not from the corporations that make the you know what disease. This is preparing the population for the mark of the beast technology that uses barcodes to buy and sell. The transhumanist idea is to merge AI with people. Why can't people

see it for what it is? I think it's slavery. Musk goes to outer space to search and find aliens, meanwhile Zuckerberg creates his own version of God's creation with John Carmack which talks like an AI, and Bezos is planning to chip everyone and offer all the cheap supply of conveniences. That's my take.

We already are going to experience disease with the you know what injection that is going to cause blood clots in the future right?

If you are still of the opinion that vaccines are the only way out of the pestilence, read this:

Quantifiable mechanisms and standards do not encompass all known realities. Consider the paranormal. Consider the scientific spirit of dark magicians in CERN in hadron colliders communicating with devils. Consider ESP. The ignorant scientist submits to religion and superstition, that, only if he could comprehend one idea and not another, and not unify all ideas into one idea, unless that is the case, then whatever theory presented will be false and immediately discredited due to its lack of comprehension. Such is the case for the current debate between the two ruling governments in the America. Professing themselves to be wise, they became fools, both the dark magicians and the simpletons. Both commit disobedience towards the most High God, one in the form of idolatry, worshiping the creature above the Creator, and the other a plain angry fool in heart.

Vaccine ingredients that are known to destroy one's health:

- *Some vaccines are made by growing the vaccine viruses in human fetal cells.*
 - *The fetal cells that are used to grow vaccine viruses were originally obtained from fetuses aborted decades ago. The fetuses were not aborted to make vaccines.*
 - *Therefore, these poison injections are shedding blood of innocence in order to obtain so-called safety of the person receiving the poison. This is the very meaning of betraying a neighbor's life for your own. This is a violation of the commandment to love thy neighbor as thyself:*
 - *Whoso sheddeth man's blood, by man shall his blood be shed: for in the image of God made he man.*
 - *The rest of the poison concoctions are also intended to destroy the temple for the spirit. It is obvious and frightening that many turn a blind eye, fully putting their faith in the wisdom of wicked men over God's wisdom. When asked to prove their religion in religious superstition of so-called "seance", they turn to their dark authorities that are known political liars and cowards, and bribed technicians.*

- Well the next plan is supply chain shortage. There is this man who is orchestrating something big, his name is Klaus Schwab. Castro's son, the prime minister is subject to him. His organization is the World Economic Forum. This organization and John Hopkins predicted the pandemic and made a simulation in October of 2019. The project went live soon after.

Anyways, I will read some more later and share with you. I think the exact sequence of events isn't necessary to know, as God will handle his children with care and safety. But we also need to prepare with some herbal medicine and knowledge on how to suffer the least during tough times as well.

Socrates was a sign of decadence of Greece. Since debate hardly settles anything, since the two debaters are already hypocritical and closed minded already, it only increases animosity. Greece did not find peace through this. Greece found more conflicts later on due to Socrates.

The whole premise of star wars is that anakin (pride) would be redeemed, that men can be redeemed. That is not the case. Beyond a certain line, God will cast delusions into their minds. The only reason why anakin decided to kill palpatine is because of his emotional love for luke, a very strong emotion. So the film star wars is telling people that lucifer can be saved. This is blasphemy.

I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star. Revelations 22:16

How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! Isaiah 14:12

The new Bible versions are of satan. A God fearing King James already in his time produced an English Bible. (edited)

The first reference to the morning star as an individual is in [Isaiah 14:12](#): "How you have fallen from heaven, O morning star, son of the dawn! You have been cast down to the earth, you who once said how the nations?" (NIV). The KJV and NASB both translate "morning star" as "Lucifer, son of the morning". It is clear from the rest of the passage that Isaiah is referring to Satan's fall from heaven ([Isaiah 14:12-19](#)). So in this case, the morning star refers to Satan. In [Revelation 22:16](#), Jesus unambiguously identifies himself as the morning star. Why are both Jesus and Satan described as the "morning star"?

Self pity in pride.

In Job, the spinosaurus fits the leviathan, that serpent the devil, it embodies the devil in everyway.

The chief of the ways of God is the behemoth. Although the behemoth is dumb due to blood going to its small head from a very long neck, it was peaceful and herbivorous, unlike the leviathan.

My dad knows that spirits can overtake certain animals. Devil spirits. The serpent in the garden of eden was overtaken by satan.

Yes, there are parallels between Taoism (natural law translated into english) and Christianity. The old testament is about the path of peace and the new testament is the savior.

The old testament foreshadows Jesus Christ sacrificing himself on the cross for resurrecting the pure, and the new testament, people need to accept Jesus Christ as their savior to escape eternal damnation in hell.

Lao Zi preached about the coming of Christ

Fri 2:13 AM

Recall that whenever the physical israelites disobey God and does whatever they carnally desire, God ignores them. I see no reason why God doesn't help the east with peace as well. Quite frankly, when Lao Zi was in the east, the country was very peaceful and experienced growth in the Han dynasty. Today we have an israel that has gay pride (not shame) and fights for whatever reason but not for peace and understanding.

But notice that after Christ, the aztecs become so vile they sacrifice men on the altar for their devils. Previously in that region they were quite peaceful. Notice how north american tribes begin to worship animals and not God. Previously they were peaceful people, but now they have strange rituals to maim men for the sake of becoming a warrior. You can search that up. Similarly, china after Christ falls into the 3 kingdoms period where a lot of people die and a lot of people are greedy for power. That is because they rejected Jesus Christ. Notice that

John 9:1

And as Jesus passed by, he saw a man which was blind from his birth.

And his disciples asked him, saying, Master, who did sin, this man, or his parents, that he was born blind?

Actually, since the antichrist and some psychopathic babies exist, the freewill choice to choose the marriage with Christ was determined by our conscience before birth and conception.

The exact DNA matching is secondary, but it would interface with that spirit.

The spirit is a mixture of sin and purity. Dark and light. Nobody's perfect, everyone has some sin.

It's just some people have a lot more than others.

↩ You replied to yourself

The exact DNA matching is secondary, but it would interface with that spirit.

Recall that blood donor's blood that are too different the body would reject, because it would not contain the spirit. Spirit is consciousness. As shown in Genesis when God's consciousness is also his Spirit.

So that's the reason why DNA interface with the spirit of the correct balance of light and dark.

↩ You replied to yourself

And as Jesus passed by, he saw a man which was blind from his birth.

An...

This implies that Jesus Christ's disciples were asking about the sequence of events that leads to an unfair condition. Since God is just. It means because of people born with autism, it is totally due to their pre-birth choices.

The fact that people hold the greatest commandment of all: Pure love.

This would lead to non-hypocrisy as hypocrisy hurts people unintentionally perhaps or purposely. No greed, no pride, as if you are prideful you think you are better than other people. When you face the situation where you are asked to kill someone else for starvation otherwise the other person would kill you what would you do? I would rather let the other person kill me because I feel tremendous guilt.

And thou shalt love the Lord thy God with all thine heart, and with all thy soul, and with all thy might.

Since God is the God of peace, and true peace requires gnosis (a term I use for knowledge) for the ultimate choice of the metaphorical marriage, as well as pure love and respect for existence, I believe the ultimate litmus test is this: Since the above is true, and since God does not tell lies, but men do, and since Jesus Christ preached that there is power in his name, we know the Judas when they respond with anger or taunting or indifference or scoffing deep down. And for one I know plenty within a physical church.

You're not one of them thankfully. I know that. I've seen your intentions. I could feel your energy.

Any sign of hypocrisy, greed, and pride is a sign of sin. Present day jews aren't real jews. They hate Jesus Christ. Moreover, the rothschild lineage controls central banks all over the world. This is the same idea as Judas betraying Christ and Christ giving him control over handling money. The same idea as the pharisees who follow the law not following peace but purposely being dishonest with themselves and not even acknowledge that they aren't following peace, by justifying law above peace, which is a contradiction.

It's in their nature, the present day jews to be control freaks. Read "Protocols of the Learned Elders of Zion", it's confiscated by russian authorities before the bolshevik revolution, which the leaders of the revolutions were jewish secret society cults.

Their DNA blood is damaged. Christ said they cursed themselves with that, by rejecting Him as Messiah as prophesied. It means hypocrisy is number one enemy after greed and pride is under control. But since the pharisees had all three, they were the vilest of them all, that's why Christ called them the worst names out there. Vipers (most venomous snake), traitors.

Similarly, I have experienced natural healing after having more faith in Jesus Christ. This means peace will heal. Holy Spirit is peace.

And so this leads me to offer you advice on what to do to obtain more peace, which is the greatest comfortable feeling of pure light that Jesus Christ wants to share with you. Please do some self reflection journal and have the courage to correct them after identifying each flaw. Pray to Jesus Christ to show you how. Hypocrisy just builds on top of itself. My mom is now worshipping buddha and I'm trying my best to show her the path of peace.

At one time I had little faith in Jesus Christ after the cult drained my energy because of less than 100% faith. However, I believe the passage that explains being saved by fear would lead to understanding peace and being saved by peace, since Christ is peace.

Because most people these days do not believe in hell, that's why I implore them to consider peace.

I'm trying my very best to help them and show them the path to happiness for real. Meanwhile I understand that not doing so means that not giving them an opportunity for knowledge implies that less knowledge means less faith. How can a baby learn to love his parents? Knowledge and faith. It's cyclical.

For one I went straight back to near 100% faith in Christianity once I connected the dots with a lot of honesty and knowledge.

This is because even though you don't believe in Jesus Christ, if you still believe in peace honestly, since Holy Spirit is peace, it would guide you back to Christ, that's my experience.

Honesty is important. Please don't deceive yourself. If you don't want people to suffer. Just share the odysee file I have attached above. I trust that the Holy Spirit and understanding will come. This is because I put a lot of heart and effort into it.

I put a lot of effort in writing this because I actually find that you're the most honest, alongside with Patrick. But I really wish I could have a helping hand. This would save a lot of people. Also another advice: spend your time converting people evenly. Do not spend a lot of time on some judas when they appear to be not stupid, but purposely greedy, prideful, and hypocritical.

But my reasoning is that the lukewarm churches these days do a poor job reaching the gentiles because they do not have the faith to obtain understanding of the Bible. With all due respect, I find that the gentiles are important as well. Coming from a perspective of the scientific spirit to help out is very important.

For example, the present day science is initiating a lot of attack on all sides with materialism and billions upon billions of years of evolution.

Our job is to be knowledgeable enough to respond and inspire them to think and make the conscious choice to receive the grace of Jesus Christ.

Because I could not live knowing that people are going to hell due to ignorance and short sighted pleasures due to a hypocritical decision to not become a truth seeker due to a lot of hivemind people making up the corporate ladder.

Also remember that Christ actually suffered three days in hell after his death on the cross.

"For just as Jonah was three days and three nights in the belly of the sea monster, so for three days and three nights the Son of Man will be in the heart of the earth."

Make it worth it man. Also if someone knowingly rejects His name, don't dwell on it and feel guilty. Accept humiliation as happiness. Carry on. Just think of it this way. Whatever, what consequences are there?

And one mental image I'd like to share is this. If your family member is non-believing, would you love them because of fleeting memories? Or Christ? I prefer Christ because he is peace. He literally went to hell for three days to save us, people less than Him.

Those family members do not have plenty of peace as Jesus Christ. Given the situation of life or death between two people for food. They would kill each other. My mom only cried when she saw my baby pictures, which is not peace, but strong emotional attachment. True peace is unconditional.

For one I would accept a painful death and not kill anyone given anything.

For every sin, Jesus Christ was burning in hell for longer. Pick receptive people first. Pick first the jews (of heart) and then the gentiles.

Who do you love more, a very wicked person being converted through gnosis (knowledge on how to improve for peace) or Jesus Christ burning in agony?

Okay that's it, I have given all the stuff I've got, including my faith in people being kind. I leave it to your decision. I respect your free will.

I'll name them: Titus Wong, Justin Mak, Anthony Dy Ning, Eddie Huang (he's now a homosexual). Those are people we both know. They are 100% Judas. Do not help them.

Of the four I noted above, only one is for certain unsaved, that is the last one. The use of the word Judas here is to show them as traitors, but saved or not only God knows. They pretend to believe in some parts of scripture, but they do not believe the entirety of scripture in heart. Recall that there is another called Judas who was saved in the new testament ministry. Recall this verse in Acts 9:11:

And the Lord said unto him, Arise, and go into the street which is called Straight, and enquire in the house of Judas (*represents betrayal out of ignorance*) for one called Saul, of Tarsus: for, behold, he prayeth

Then pleased it the apostles and elders, with the whole church, to send chosen men of their own company to Antioch with Paul and Barnabas; namely, Judas surnamed Barsabas, and Silas, chief men among the brethren:

When Judas combines with Iscariot, this results in the devil. Judas represents betrayal, and Iscariot, in Hebrew etymology: "man of Kerieth" (a place in Palestine in the land of Moab, the land of spiritual Sodom and Gomorrah, as all through the Old Testament, the Moabites were spoiled and unsaved).

Jeremiah 48:24 –

And upon Kerieth, and upon Bozrah, and upon all the cities of the land of Moab, far or near.

In the New Testament, Paul was with some false brethren who betrayed him. Paul can not tell if they are false brethren or not at that time, because Paul did not run thorough tests on them as he was very busy and hard working towards all people.

The solution is to shame them:

For first of all, when ye come together in the church, I hear that there be divisions among you; and I partly believe it.

For there must be also heresies among you, that they which are approved may be made manifest among you.

When ye come together therefore into one place, *this* is not to eat the Lord's supper.

For in eating every one taketh before *other* his own supper: and one is hungry, and another is drunken.

What? have ye not houses to eat and to drink in? or despise ye the church of God, and **shame** them that have not? What shall I say to you? shall I praise you in this? I praise *you* not.

For I have received of the Lord that which also I delivered unto you, That the Lord Jesus the *same* night in which he was betrayed took bread:

You do not want to leave with a feeling of shame and betrayal for helping out with authenticity. Work up your confidence incrementally.

One mistake I made with the nifb anderson cult is they do confess our Lord but in their hearts they do not believe. These people purposely rejected peace to the utmost degree. Homosexuality is NOT tolerable, according to Romans, by Paul.

I have prayed for that cult to be destroyed promptly, so that people will not be deceived. I encourage you to pray for those Judas vipers that drag people down to hell with their wickedness to also be killed promptly so nobody will suffer for eternity.

They take pleasure in crucifying Christ. I hate that cult. Because I love Christ.

One idea I had is because fast swimmers have pure intention and strong will. I'm reaching out to world class swimmers because they have publicity. I use the knowledge that I found (no elite swimmer has found the magnetic relation yet and put into practice) to inspire them.

The "cretaceous" meteor was the fall of lucifer and his angels. It didn't occur millions of years ago. Carbon dating is based on guesses that are inspired by devils. They coveted form, form of Adam and Eve in the material realm, so they manifested into evil dinosaurs. Revelations 12 shows that. Moon under her feet means the serpent is underneath her feet, that she would step on the serpent's head. The moon is an artificial devilish object, a CIA experiment using frequency technology confirms that the moon is hollow. It creates strong emotions. Full moon causes people to sin a lot. The egyptian moon goddess that mcu is televising currently is represented by death and sin.

Be not forgetful to entertain strangers: for thereby some have entertained angels unawares.

Since angels come on earth and men do not know who they are talking to (same as tibetan devils), the child prophet may have been an angel!

Know ye not that we shall judge angels? How much more things that pertain to this life?

This shows that man can partake in the creation with God and create in His kingdom as that is the nature of man, formed after the image of God. This time man will not be tempted to sin because Christ removed that temptation. This is true eternal bliss. Hallelujah!

That's my thought

The aliens exist. The US government are actively working alongside with them since the 50's. Actually, eisenhower made a treaty in return for technological advancement in the cold war. They are devils, like the jinn in islam. The grays possibly is the result of alchemy. Consider the example of the medieval homunculus. It is just like the grays in stature and thought.

Compare the meteorite craters with the cities that are the most wicked and evil

That's why I said that the "cretaceous meteorite" was satan's fall, as it is an ocean away from eden

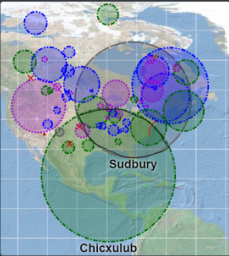

Then satan possessed the serpent and tricked Eve. The serpent, foxes, and wolves and hyenas are known to be easily controlled by devils.

That's what my dad says about his culture

The dyatlov pass is in the epicenter of another crater impact

The so called "aliens" are simply devils in physical form

As well, the dinosaurs are also the devils in physical form, as they want to be part of God's creation

This overlap is where chicago, new york, philadelphia, are, arguably the most corrupt places in america

Also notice that the boundary point of the two largest craters is where the Bermuda is located, as it is the point that both impact radius meets, so the combine to travel across the atlantic to where eden is to deceive Adam and Eve.

The place that is furthest from the impact craters, I believe is the place of Eden.

These regions are relatively large impact crater free, this means that early Chinese people were good people
