

The meaning of Genesis 1:1

In the beginning God created the heaven and the earth.

And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

And God said, Let there be light: and there was light.

And God saw the light, that it was good: and God divided the light from the darkness.

And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.

But, beloved, be not ignorant of this one thing, that one day is with the Lord as a **thousand years**, and a **thousand years** as one day.

And when the **thousand years** are expired, Satan shall be loosed out of his prison,

For a **thousand years** in thy sight are but as yesterday when it is past, and as a watch in the night.

Ecclesiastes 6:6 | [View whole chapter](#) | [See verse in context](#)

Yea, though he live a **thousand years** twice told, yet hath he seen no good: do not all go to one place?

- 3** If a man beget an hundred *children*, and live many years, so that the days of his years be many, and his soul be not filled with good, and also *that* he have no burial; I say, *that* an untimely birth *is* better than he.
- 4** For he cometh in with vanity, and departeth in darkness, and his name shall be covered with darkness.
- 5** Moreover he hath not seen the sun, nor known *any thing*: this hath more rest than the other.
- 6** Yea, though he live a thousand years twice *told*, yet hath he seen no good: do not all go to one place?

These passages in the Scriptures sheweth that darkness was created by God as everything was created by God. darkness was upon the face of the deep presents to us that darkness

tries to hide from God and not be known. Because God needed to rightfully divide evil from good: God created Light, His Son Jesus Christ Who can be in earthly form be shewed as the sun. Thus the slaves of the devils create secret assemblies such as the order of the sun temple known some years ago to have murdered people in a wilderness, and another open assembly known as the aztecs. Remember the Scripture which sheweth the passing of times in Heavens being diverse and separate with the passing of times in and on earth. We use the Word times instead of time for the reason that there are diverse Heavens, such as the third heaven that Paul was taken up to. In each Heaven the passing of time is separate, such that the year AD 1260 which is 42 months which appears in the odysee writings of prophesy where the woman after giving birth to Jesus fled into the wilderness that is present day the states and the nation above the states. 42 months is 7 divided by 2 years.

Therefore this heaven is not the Heaven where God the Father resides. $1000 \times 360 = 360\,000$. This is magnitudes above where the archangel Michael resides, as the archangel Michael casts satan and his devils out of heaven once and for all in AD 1260. Where Michael resides is at least 1000 times lower, such that 1 day is in his residence is felt as 1 year on earth, thus the observation of the movements of earth around the sun as one year in length as the sun is more carnal and Michael is given more carnal powers, such that he is able to move earth only under the authority of God the Father, such that everything and anything observable from the devil possessed sorcerers in places like cern and hadron colliders and the likes of "string theory" and all of the understanding and expression of numbers and the dreams that tesla, einstein, and ramanujan had were dust particles of lies mixed with truths given by satan to lust after knowledge for their own destructions. Thus, the word time, times, and half a time is 3.5 years under the rulership of archangel Michael, in certain parts, such as the length of time the two witnesses in the last days judge egypt and sodom and the length of famine and tribulation in the days of Joseph advising pharoah. Because the length of 7 years is cut short, $7 / 2$ rightfully halved is 3.5 years. Since Michael is given the authority to destroy satan, satan is always residing below the heaven where Michael resides. Since Michael is like God, but not God, satan could only inquire from Michael when tormenting Job as it comes to and fro from the heavens and earth. The darkness upon the face of the deep was where satan resided. The face is the top of a place in heaven. Since satan is given authority over earth as he is called the god of the earth in Revelations, this proves that many of us as angels in the higher heavens came to save the scattered spirits that satan took away and corrupted from the lower heavens under his rulership that were pure, such as the time when two angels sent by God came to Abraham to save Lot from sodom and gomorrah, they came in the carnal as Lot thought them as men and stated to the sodomites to not touch these men of God. The last passage

Ecclesiastes 6:3 states the seeds of the devil possessed pharisees who secretly assemble together to create the book known as the telmud where they proclaim the purity and rightful sodomy of infants by priests. 2000 years have passed and the Second Coming is nigh, yet the seeds of the devil continue to pervert the seed of the woman in Christ. Go to the page in my 145 paged odysee writings that explains the water experiment executed by an observer in the east, about water formations and conscience. The seeds of the devil are

corrupting the seeds of Eve. That is the reason why the perverse families of the “red shield” and the “open white sepulchres” masquerading as angels of light and the false prophet in white robes worshiped by many waters built their strange buildings upon the burial of saint Peter near rome and saint Paul in constantinople, as their souls had power cleansed by the Holy Ghost even in death. The devils only know to steal and commit sodomy of many base sorts.

Here is an array of KJV Words: <https://www.kingjamesbibleonline.org/Free-Bible-Dictionary.php>

Words have power in them, as seen in the water experiment, the beginnings of a word from divination, such as the word ^{seance} for ^{science} words that oppose each other, but can be read and interpreted by the back of the mind in diverse and separate conscience. An example is the reverse of lived and live. The unclean words do defile us. Be on alert and beware of my instructions.

- Take your time to read through the array, as these words are solemn words. Read through the array only after you have done that which is necessary and clean up your own heart first then the places round about.
