

THE ONLY HOLY SCRIPTURE IN ENGLISH IS THE KING JAMES VERSION:

The King James Scriptures:

For nearly 2000 years the Holy Scriptures (Bible) has remained the book that receives the most attention of all times, by the wise and the faithful, as well as the sodomites in disguise as the open white sepulchres. While we, in our present world for the last tens of years, take for granted the abundance of Bibles and bible translations, there was a time when men or women who dared to handle, possess, yes, even read, this Holy Book that, if they were found out, it would be at the price of their very life. Since the crucifixion of Jesus Christ, for whom the Gospel record was set forth: The Holy Scriptures has become the most blood stained book in all of the account of times.

Men have fought for it; been burned at the stake for it. Believers have been (and continue to be) imprisoned, beaten, buried alive and killed, just for reading it (now in the east). Others have had their bones maimed, and for Faith in the Word of God and spreading it have been accursed to damnation and eternal fire by the false roman united open sepulchre church of damnation itself.

Many Christians have suffered all this and more for daring to share the powerful Words of the Holy Scriptures to a lost and dying world of sin. And now in the times past of tens of years – there came many english “bibles” which do creep in unawares in Jesus Christ’s Churches? As it is written:

(Revelations 22:18-29):

For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book: And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book.

Who was King James?

King James came from humble beginnings. He would honor his mother and father in his youth and learn from the elders about The Scriptures. Not like the witches which were queens such as “bloody mary”, a witch which abode by the open white sepulchres for advantage (because that’s what the title of the “pope” grants: corrupt power). King James’ mother was named Mary, but not the queen of scots, as she knew that women are to be under the subject power of the King. For this she was imprisoned and accursed by many ignorants.

King James would have many enemies, and that is the reason he needed male body guards sleeping near by on his large bed: to protect, for he was not a sodomite, but needed great protection from the sodomites. King James would have a wife, and he would like to go hunting with his dogs and horses. One day his wife by unawares would shoot and kill one of the King's dogs and upon hearing this, and himself unaware that his wife had done this unawares; would be enraged. But upon discovering that it was his wife in tears, he would repent and kindly accept her sorrows and comfort her with his comforts, of food, of wealth and reward. For King James was a righteous King, authorized by God to be King over the people of England in spiritually darkened times. Even now, many on-line sights would falsely accuse King James. But upon careful examination, these false accusations are false and unfounded. These be the sodomites knowing the power of God and attacking the power whereof.

King James was known as the most "*educated sovereign*" in Europe. He was not very liked by the people because of that. Open white sepulchres which call themselves Romans conspired to kill him and others on November 5, 1605, in the "Gun Powder Plot". Guy Fawkes was caught in the act of trying to carry out the deed.

1611 — THE KING JAMES BIBLE (Also known as the Authorized Version)

There were three bibles before which are English translations, each having their own values:

- The Great Bible were for the common people, used especially for Psalms readings
- The Bishop's Bible were for the church, but had stiff translations which the common people could not interpret correctly
- the Geneva Bible was a filthy translation as it added unclean words of the devils to corrupt the Holy Scriptures. Except that, this bible is still not well written:
 - King James said he "wished that some special pains should be taken in that behalf for one uniform translation (professing that he could never yet see a Bible well translated in English, but the worse of all his Majesty through the Geneva to be), and this to be done by the best learned in both Universities; after them to be reviewed by the bishops and the chief learned of the Church; from them to be presented to the Privy Council; and lastly, to be ratified by his royal authority...He gave this caveat (upon a word cast out by my Lord of London) that no marginal notes should be added, having found in them, which are annexed to the Geneva translation, some notes very partial, untrue, seditious, and savouring too much of dangerous and traitorous conceits."

To pacify the grievances of his people, the Puritans especially: For seven years, with more than fifty carefully elected top scholars and scribes who knew and are skillful in many languages, many crafts, many thoughts, and were all Christians and examined by the King himself, was the Authorized Bible translated into English, making amends to the earlier bibles such as the "Geneva Bible (with wrong translations of added words)" and "The Great Bible" and earlier William Tyndale Bibles, a man of God who was persecuted greatly for this Great Cause by the open white sepulchres named Roman and united to form a false church wielding great power

under satan: tormenting the saints for several hundreds of years with tools and devices of utmost horror. The Authorized Bible was worked on by these forty and seven top scholars of Faith (elected out of the fifty and four) for seven years day and night to produce The King James Scriptures. Rigour was put forth to cross examine Scriptures until each Word is correct. The top scholars all knew too well the dangers of the devil's words, words which come from evil beginnings: for the english language came from the "barbarians" and strange people, and borrowed a lot of the "*runes*" signs which are evil signs of the devils. There are reports of people who died because of using these signs of letters. It is the same with certain dark magician's boards such as the board which begins with the letter o and ends with the letter a - board.

Furthermore, the present day devil's bibles of english translations come up year by year and day by day. These translations either remove a lot of passages from The Holy Scriptures, or add blasphemy such as the "*apocrypha*", or its would change the Word into a bad word, an unclean word that which is not purified seven times (seven years) in the furnace of the earth. (Psalms 12:6). Even the "*new international translation*" corrupted the word "son of the morning [satan]" into "the morning star [Christ]", and do change the meaning of the "cornerstone [Christ]" into the "capstone [eye of satan on the three sided shape on the money of the state[s]]". it also put forth the word "new world order" which is a word used by the false ash-kennazis which use it to disgrace God's New Earth after the antichrist's "*new world order*" is utterly destroyed and satan thrown into the bottomless pit for a thousand years until it is finally cast into the lake of fire and brimstone everlasting damnation.
